

Hot sale e bike 36V 48V/15Ah 18Ah 20Ah battery lithium ion ebike conversion kits with battery 48V hailong

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: IC
- Model Number: Lifepo4 Battery

Product Specification

- Installation: Downtube Frame
- Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike
- Motor: 250w/350w/500w
- Color: Black
- Case: Hailong
- Size: 360*90*110mm
- Battery Type: LiFePO4
- Estimate Weight: 4kg

Products Description

Hailong 36V 15Ah ebike battery pack Li-ion battery

Welcome OEM

- "Customized" battery voltage, capacity size and case.
- "Customized" BMS charging and discharging current balance function with communication protocol, etc.
- "Customized" connect plug and socket (Cable waterproof)
- "Customized" special battery packs for any applications.

QUALITY

Authoritative review: CE, UL, SGS, FCC, ROHS, and ISO9001:2008 certified.

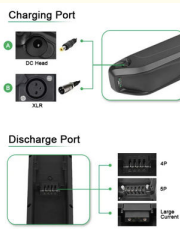

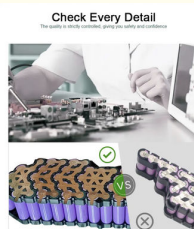

EXPERIENCE

We have been in lithium battery pack for more than 10 years.

Product Description

Product Description:

E Bike Battery - The Ultimate Power Source for Your Electric Bike

Product Overview

The E Bike Battery is the perfect solution for all your electric bike power needs. Designed for high performance and reliability, this battery

is the ideal choice for any e-bike enthusiast. With its sleek black color, powerful motor options, and easy installation, the E Bike Battery is a must-have for your electric bike.

Key Features

Color: The E Bike Battery comes in a stylish black color, adding a touch of sophistication to your e-bike.

Motor: Choose from three powerful motor options - 250w, 350w, or 500w - to suit your riding style and terrain.

Installation: The battery is designed to be installed on the downtube frame of your e-bike, ensuring a secure and stable fit.

Size: With dimensions of 360*90*110mm, the E Bike Battery is compact and easy to handle.

Case: The battery is housed in a durable Hailong case, providing protection against wear and tear.

Built for Performance

Features

We can build the popular Ebike battery with different brand cells and battery case. Cells capacity vary from 2600mah, 2900mah, 3200mah, 3400mah to 3500mah for your option. Battery cases include Hailong case, Dolphin case, bottle case, Silver Fish case, Rear rack case and so on. lithium E-bike battery for 250W/350W/500W/750W/1000w electric bike/mountain bike/motorcycle/bicycle.

We have different ebike battery case with different but easy installation for all kinds of EBikes, just send the inquiry for details.

- 01** Using high-quality brand and Chinese Grade A cells
- 02** Protection system is all used original chip from Japan and The United States
- 03** Support OEM / ODM Service
- 04** Voltage/Capacity/Dimension could be customized

Name	E Bike Battery 36V-10AH Li-ion E-Bike Battery Pack
Case	Hailong
Size	360*90*110mm
Motor	250w/350w/500w
Charger	42v 2A
Application	electric bike/bicycle/motorcycle/ebike
Weight	4kg
Installation	Downtube frame

Why Choose the E Bike Battery?

There are many reasons why the E Bike Battery stands out as the best choice for your electric bike:

Reliable and durable

Easy installation

High performance

Longer lifespan

Fast charging

Cost-effective

Sleek design

Powerful motor options

Upgrade your electric bike with the E Bike Battery and experience the ultimate power and performance on your rides. Don't settle for less, choose the best for your e-bike.

Applications:

E Bike Battery - enook

Brand Name: enook

Model Number: LifePO4 Battery

Place of Origin: china

Certification: IC

Color: Black

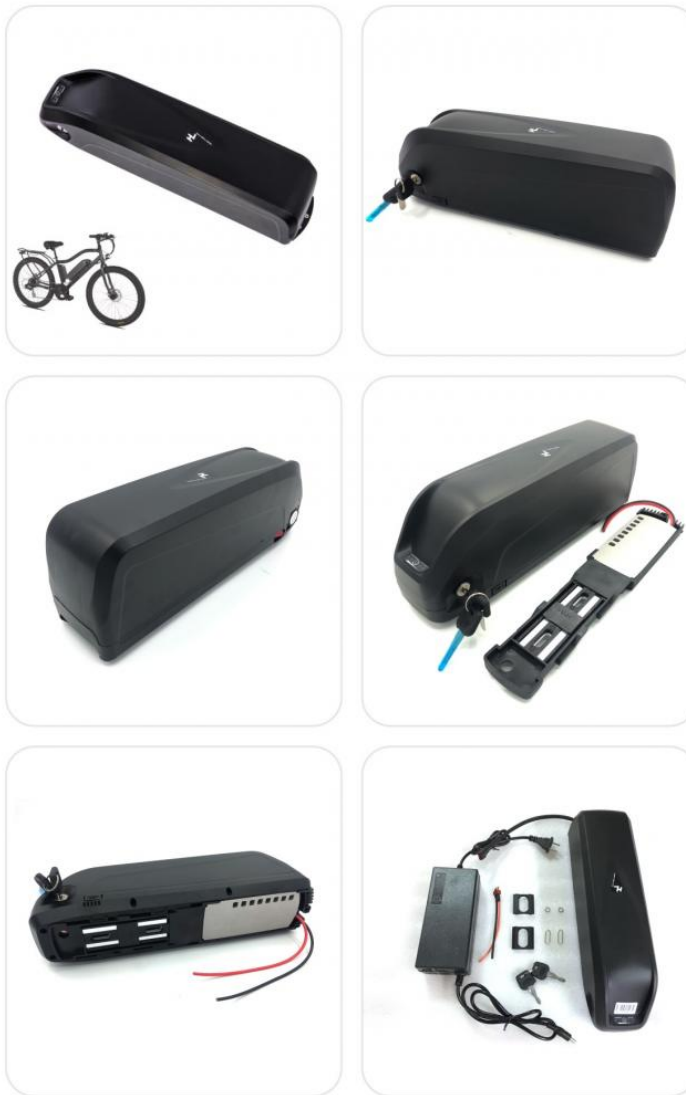

Estimate Weight: 4kg

Battery Type: LiFePO4

Application:

The enook E Bike Battery is a powerful and reliable energy source for a wide range of electric vehicles, including electric bikes, bicycles, motorcycles, and ebikes. With its advanced technology and high-quality materials, it is designed to provide a long-lasting and efficient power supply for your electric vehicle.

Products Display

Application Scenarios:

The enook E Bike Battery is suitable for a variety of applications and scenarios, including:

Commuting: Use your electric bike or bicycle for your daily commute without worrying about running out of battery power.

Recreational Activities: Take your electric bike or ebike on outdoor adventures, such as camping or sightseeing, with the assurance of a reliable power source.

Delivery Services: Electric motorcycles or ebikes equipped with the enook E Bike Battery are perfect for delivery services, providing a cost-effective and eco-friendly transportation option.

Tourism: Rent out electric bicycles or ebikes to tourists and offer them a convenient and enjoyable way to explore the city or countryside.

Compatibility:

The enook E Bike Battery is compatible with a wide range of electric vehicles, including but not limited to:

Electric Bikes

Bicycles

Electric Motorcycles

Ebikes

Motor Options:

The enook E Bike Battery is suitable for electric vehicles with different motor capacities, including 250w, 350w, and 500w. This allows for a customizable and versatile power supply for a variety of electric vehicles.

Conclusion:

The enook E Bike Battery is a top-of-the-line energy solution for your electric vehicle needs. With its advanced technology, high-quality materials, and versatile compatibility, it is the perfect choice for a reliable and efficient power source. Choose enook for a seamless and enjoyable electric vehicle experience.

Application

Our products have a very widely range of use

A

The battery pack can be used in electronic vehicles, tricycles, ebike, solar energy storage system, camper, cans, electronic boat, marine ship etc.,

E-Scooter

Balance E-scooter

E-Bike

E-Motorcycle

Golf Cart

RC Drone

Solar Street Light

Solar Wind Energy

Mobile Headlight

Waterpump

Power Tools

Stereo Set

B

We use high quality cells, such as 18650 21700 batteries, we use different cells for different applications

C

We have been in lithium battery pack for more than 10 years and know how to provide you the right solution for you. Just let us know your detail application and request then we will choose the best solution for you.

Customization:

E Bike Battery Customized Service

Brand Name: enook

Model Number: Lifepo4 Battery

Place of Origin: China

Certification: IC

Color: Black

Installation: Downtube Frame

Size: 360*90*110mm

Case: Hailong

Estimate Weight: 4kg

Introducing our customizable E Bike Battery - the perfect solution for all your biking needs. Our battery, designed and manufactured by enook, is the top choice for riders looking for a reliable and high-performance power source.

Our E Bike Battery is proudly made in China, ensuring top-notch quality control and superior materials for optimal performance. It is also certified by IC for its safety and reliability, giving you peace of mind while riding.

Choose from a range of colors, with black as the standard option, to match your bike's style. The installation process is simple and hassle-free, thanks to its downtube frame design. And with a size of 360*90*110mm and a lightweight estimate weight of 4kg, our battery is convenient and easy to handle.

Upgrade your biking experience with our enook E Bike Battery - the ultimate choice for power, efficiency, and style.

Installation Steps

1
Open the mechanical lock and remove the base plate

2
Install the base plate on the electric bicycle

3
Slide the battery into the base and secure it
